## Seniors Looking Back

Seniors '591 The top of the stairway! The beginning of a new flight into the future! But before we leave, let's reminisce

We remember: the basketball tournament "fever" and sponsoring a May Dance in our Sophomore year, creating the "Underwater Rhapsody" theme of our Junior-Senior Prom; working on class floats for Homecoming Parades; supporting our team with enthusiastic school spirit; thrilling to the sound of our school song played by the band; nervously filing on the risers for chorus concerts; beginning our senior year by getting acquainted with our two foreign exchange students, Maria Marques from Portugal and Asif Beg from Pakistan. We'll never forget the day our fruit machine was installed in the cofeteria, the fun of reading the school paper, the crowded assemblies, taking scholarship tests, attending Awards Banquets, exchanging class pictures and signing annuals. All through our senior year we felt the significance of the many "last times" that occurred

And now we Seniors have even more memories the announcement of honor students; the Senior Banquet; Baccalaureate; and finally, graduation itself and our plans for the future

Yes, as we stand on the top step of our high school stairway, we look back at these happy memories and know we'll never forget our wonderful days at Anoka Senior High

President, John Tammi; Vice President, Joe Blest, Secretary, Mary Watson; Treasurer, Janice Anderson

# Classes

# Juniors Prepare for Final Step

V ca President, Dava Hyllangran; President, Peta bon zlan, Secretary, Nicky Kerpin; Treasurer, Karen Brown

The Junior class stepped right into school activities this year. Members of the class joined clubs and actively participated in athletic events.

One "A" squad cheerleader and four "B" squad cheerleaders led their class in cheering for the teams. The high point of the winter sports season was the Winter Homecoming Dance which the juniors sponsored

Juniors were busy in their classes, too. In addition to regular classroom tests, they all took the lawa Tests of Educational Development and the College Aptitude Test. College-bound students took the Scholarship Qualifying Test and the National Merit Scholarship Test. Trying to answer the questions on these tests quickly shrank any swelled heads which they might have had. In between tests they showed their natural love of a good time by "accidentally" blowing up the chemistry sinks, singing cowboy songs in English class, or "forgetting" their textbooks so they would have to share books with a friend

In the spring the juniors really stepped into action. They received their class rings. The halls were filled with groups of juniors and seniors comparing rings. Naturally the juniors had the best rings in the school's history. The class also elected members to the National Honor Society and chose delegates to Boys' and Girls' State.

The Junior-Senior Prom in May was the biggest social event sponsored by the juniors. They worked very hard on a gay and festive dance which will always be remembered by the juniors and seniors who attended

At last, they passed their final exams and became seniors. Next year they will be the "big wheels" of the school. But they were sure that there would never be another year quite like their junior year.

# Sophomores Begin Climb

The graduating class of 1961, this year's Sophomores, entered into the activities of the year as the youngest students in the school. Although they felt lost in the beginning after the big step from Junior High to Senior High, they soon learned to find their way around the halls to their classrooms, the lunchroom and their auditorium seats. Before many weeks had passed they became well acquainted and had settled down to the serious business of studying.

The class was headed by Eugene Wolffe, president, Don Rainbow, vice-president; Pat Englund, secretary; and Terrie Pfleider, treasurer. Representatives were also chosen from each English class to help make up the Student Council.

Two of their projects for the year included decorating a float for Homecoming and sponsoring a dance

Sophomore school spirit was led by Terrie Pfleider and Pat Englund, two peppy "B" squad cheerleaders Also they had many boys on the "B" squad football and basketball teams

Aside from athletic activities, members of the Sophomore class were kept busy with the all-school-play, band, and chorus, (which, by the way, they almost monopolized.).

They anxiously awaited their junior year when they would no longer be the under-dogs, but we're sure they will always remember the year 1958-1959 as a most memorable school year

President, Eugene Wolffe; Vice-President, Dan Rainbow; Treasurer, Terrie Pfle der Secretary, Pat Englund

# Activities

#### Student Council

"The meeting will come to order." These were the well-known words of the Student Council President, Duone Blaska

Members of the council included representatives from each English class, five members of National Honor Society, and the two foreign exchange students, Maria Marques, and Asif Beg

This year two delegates were sent to the state workshop and two to the state convention. They came back with many new ideas that helped improve the council

The council sponsored two beautiful homecomings and was able to get a fruit machine put into the cafeteria after much discussion and debate. They amended the constitution to meet the changes in school life and financed the AFS by their spring car wash

Officers Duane Blaska, Kay Luchsinger, Ann Titter ud, and John Tammi can look back on a very successful year

Secretary, Ann Titlerud, Treasurer, John Tammi, President, Duana Biaska, Vice-President, Kay Luchsinger

### Junior Red Cross

FOURTH C Intoh - J Bless, T. Heie, L Cutter, THIRDs C. Stegora, S. Schlagel, M. Wilson, J. Remus, SECONDs C Hunt, A. Cutter, K Luchsinger I Andrew First, M Cushman, P. Haney, S. Huston, K. Brown

Causing much excitement and interest each school year, is the annual Junior Red Cross enrollment drive Each class tries to out-do the other by persuading the students to give their money to a worth-while cause

Besides the enrollment drive, JRC also made table decorations for hospitals, window displays, writing portfolios, and last but not least, the gift chest

Leading the club this year was President Joe Blesi He was helped by the other officers, the council, representing members from each class, and Miss Melby, Advisor.

Each summer Anoka sends some of its members to the JRC camps. Much is learned at these camps, and the members come back with many good ideas

Students participating in JRC, not only get a chance to help in these projects, but also get a personal satisfaction by knowing they are helping people throughout the world

THEF J. Callison, R. Foster, J. Bles. SECOND: S. Kuklish, J. Edgarton, J. Anderson, FIRST: B. Harmon, J. Moore, N. Page

#### Science Club

"Anyone interested in science?" This was one of the questions that was asked the students of Anoka High early in the fall of the year. Those interested were asked to join the Science Club, organized for the purpose of increasing their knowledge of science

Although Sputnik was not one of its main projects, the Science Club had a hard time finishing its telescope which has changed hands for the third year. Many of the members had previously been working on it during the summer in a futile attempt to finish the lens, one of its many parts.

Besides working on the telescope, the club also saw interesting films, received much information about cutting and polishing agates, and heard special speakers.

Calling each meeting to order was President Roland Foster, who was assisted by Marianne Winter as Vice-President, and Janice Anderson as Secretary-Treasurer. Helping the members with his advice was Mr. Froiland

A round-up picnic was planned to celebrate the success of the year

Secretory-Treasurer, Janice Anderson; Vice-President, Marianne Winter; President, Roland Foster

# Biology Club

Secretary, Linda Merhiy, Treasurer, John Collison: President Gail Kaiser, Vice-President, Paul Lammen

Does visiting a college and museum sound like the Biology Club? Well, to your surprise those were just a few of the undertakings this past year. It was the purpose of the club to get members acquainted with the Biology Department

Early in the year the club toured the Museum of Naturai History, which everyone thought was very interesting. Visiting Mac alester College was next on the agenda. Mormbers investigated the school facilities and attended classes in which they were interested. Students received much helpful information from this trip

Guest speakers, interesting films, overnight trips, banding birds, and delicious dinners including frog legs and grasshoppers, were other programs and projects of the club

Because of the increasing membership of the club and its activities, President Gail Kaiser, and the advisor, Mr. Wagner, can took back on another successful year

"Noche de paz, noche de amor," could be heard throughout the school around Christmas time as the Spanish Club carollers sang the beautiful Spanish Christmas carols which they had learned as one of their projects for the year. Gaily decorated pinatas hanging from the ceiling lent an atmosphere of Old Spain to the festivities at the annual Christmas party

Singing Spanish songs, studying Spanish culture, and trying to learn more about Spanish customs played a large part in creating in the students a real interest in their Spanish-speaking neighbors. Verbs and idioms became more interesting as they discovered the exciting background and history of the Spanish people, and learned how many of our neighbors to the South use the Spanish language

Under the enthusiastic leadership of Mrs. Hunt, the Spanish Club always takes an active part in school affairs, entering a float in the Homecoming Parade each year, and usually walking off with a prize

Because so many students were interested in Spanish this year, a club was organized in each of the Spanish classes. To make the work more interesting and effective, the groups all met together under the capable direction of Sue Textor, President. Maria Marques served as Vice-President, Karen Peterson as Secretary, and Eileen Kegler handled the monetary affairs.

#### Future Teachers of America

Climbing rapidly in membership this year was the Bertha Gow Chapter of the FIA Under the guidance of President Bill Brock, and advisors, Miss Anderson and Mr. Nelson, the club acquainted its members with their future occupation

films, pamphlets, and special speakers from various colleges were only a few of the many ways in which the students received a better insight into the qualifications and responsibilities that must be met by teachers

Seniors of the club were given the opportunity to go into the Anoka schools to try their hand at teaching and see if they had the patience that is required

This club has helped many students in deciding their future careers and has given them the knowledge and desire they eed to become the teachers of tomorrow

#### Youth for Christ

If you have a r been in the school on Wednesday mornings at 8 15, you may have heard charuses coming from the speech room, the meeting place of the Youth for Christ club. Other activities you may encounter at one of their meetings, might be a Bible quiz, a special speaker, or an interesting film

During the year, club members and their friends attended Youth for Christ rallies in Minneapolis on Saturday evenings. They also held many parties after some of the football and basketball games

With the advice of Mr. Hochstetter, and Karen Erickson, President, the club promoted Christian fellowship

Treasurer, Marlys Hokanson, Reporter, Judy Peterson; Vice-President, Jim Blesi; President, Karen Erickson; Secretary Marilyn Tommerdohl

#### Stamp and Coin Club

THIRD ROW . Co son S Herding M Shadick A Hatin SEC and ROW D Pedison . Grossnickle G Peterson FIRST ROW K Huston, J. Blast, A. Beg, G Gilleen

Do you know what a First Day issue or a foreign cover is? If you were a member of the Stamp and Coin Club, you would have to know, otherwise you might fail one of Mr. Buehler's stamp knowledge quizzes

If you would have gone to one of the Tuesday morning meetings in the shap office, you would have heard President Gary Petersen call the meeting to order. At their meetings the Stamp and Coin Club often had trading sessions where members could trade their valuable stamps and learn more about the various phases of stamp collecting

Stamp collectors feel their hobby is worth while because it gives them knowledge of the world and fills many leisure hours

If possibly during the month of October you saw some unfortunate boy doing push-ups and walking like a duck on the school lawn, you probably saw an initiate of F.F.A.

This club does more than initiate candidates all year because they took part in nine different judging contests at the district and regional levels and managed to qualify four judging teams for the state judging contest at the University farm last May. Also, in October of this year Dennis Killmer, Paul Buckholtz, and Kenny Slyzuk attended the thirty-first annual National FFA Convention at Kansas City, Missouri

Charity for others was recognized as the chapter did something rather special this year. The boys raised \$57 for Easter Seals as an aid to build a better Camp Courage at Annandale, Minnesota

## Future Homemakers of America

Secretary, Diane Jorgenson; Song Leader, Barbara Anderson; President, Rosemarie Palmer, Vice President, Merlee Butler, Reparter Mary Fideldy; Points Chairman, Ann Titterud, Historian, Norma Bonde, Parliamentarian, Kathy Wollum

The Christmas Tea held every year with the Library Club was one of the most important events of the Future Homemakers of America. As always, the girls put lots of time in on this project to produce a lovely tea for their mothers. Also, in an effort to increase their treasury fund, the girls held bake sales and sold ice cream

The FHA meetings always got started with the creed, which you no doubt would have heard if you happened to be passing the Study Hall on Tuesdays after school

The district meeting held at Long Lake this year was well represented by the Anoka Chapter. The girls received a small trophy for contributing the most to the camp fund

Something new was tried this year. Members communicated by letter to other FHA members in many parts of Minnesota. By doing so they were able to learn how other FHA clubs held their meetings and organized money-making projects.

All in all the FHA club had a wonderful year under the leadership of President Rosemarie Palmer, and Miss Johnson, Advisor.

#### Library Club

Making the interesting and helpful library bulletin boards and keeping the library in shipshape condition were some of the achievements of the Library Club

President Joyce Szyplinski, the other officers, the members, and their advisor, Miss Goodner, have given Anaka High a library to be proud of. Besides working at the desk, the girls took care of the many new books, magazines, and newspapers and tried their best to keep the card files in order

The lighter side of the club's activities included a silver tea which was given at Christmas time for the mothers and teachers of the members. This was one of the most important social events of the year

The last event to wind up the year was the annual picnic, which was enjoyed by all

#### Young Republicans

Treasurer, Margia Wojciechowski; Vice-President Meredith Petersen

This new club has been organized for the purpose of building interest in government and to acquaint young people with their local, state, and federal officers. In later years, these young people will be active, intelligent citizens, able to vote wisely, which is an important step in our lives. To achieve this goal, members heard many speakers and tried to help out their party

The officers, Georgia Wellberg, President; Meredith Petersen, Vice-President; Kay Jarnig, Secretary, and Margie Wojiechowski, Treasurer, along with their capabla advisor, Mr. Hass, helped draft the Constitution, which was their major job this year

The year was thought a success except for the autcome of the fall elections

Chairmon, Pat Foster; Secretary, Laslie Hoet Chairmon, Tom Heie; Vice-President, Linda Merhiy Treasurer, Mary Carlson

Campaigning with signs and buttons around election time was part of the activities that the YDFL club actively participated in this past year. Many of these young Democrats had the opportunity to meet and speak with important state and local officials at the DFL rally held early in the year

Members of this club, led by Chairwoman Pat Foster, attained a broader view of governmental problems through meetings, discussions, guest speakers, and many interesting films.

Everyone in the club obtained a greater understanding of governmental affairs and became a better, all-around, active citizen. Much of this success can be attributed to their advisor, Mr. Bell

"BAND! AT-TEN-TION!" These are familiar words to all band members during marching season. Leading the band through their successful season this past year was drum majorette, Marianne Winter, preceded by the two perky baton twirlers, Jo Madson and Butch Cass

Much time and effort went into each half-time show. Formations had to be figured out and then practiced many times, but even then there was still someone who wondered, "Where do I go next?"

"Pick up your feet!" was another favorite expression of the seniors who liked to show their superiority by yelling at the sophomores

Winning a home football game meant fun to every band member. They were seen doing a snake dance in the center of the field ofter the game with their hats an backwards Crazy kids? Maybe, but this was just their way of celebrating the victory. Marching in the Halloween Parade ended the '58 marching season with a big success

Anybody interested in buying a magazine? You probably heard this if you came in contact with a band member during their annual magazine drive, which helped increase their funds. This year's band broke all other records with sales totaling more than \$3,900

Next on the agenda was concert season. Many hours of practice were necessary in preparation for the district music contest. Also, many ensembles and soloists received A's in the district and then went on to state where they ably represented Anoka

Adding spirit at the basketball games was another assignment for the band, but sometimes the members would get overly enthusiastic and feel they might go flying off the band loft onto a cheerleader or just the plain, hard floor

For many seniors, being a member of the band has meant many hoppy experiences they will always remember.

Council

Miss Ruth Hallenberg - Director, Carol Bobendrier - Sophomore Representative, Dave
Olsen - Junior Representative, Janice Anderson - Senior Representative.

With Miss Ruth Hallenberg expertly directing them, the chorus again this year spent an outstanding year and through their fine performances imparted enloyment to many. Many hours of hard work were spent in preparing for these concerts. Besides earning and perfecting the numbers members of the chorus went through daily warm-up exercises to enable them to sing in tune. They found, with a little reminding from Miss Hallenberg, that having a smile on their faces also helped them to sing in tune.

When the Christmas spirit filed the air the charus room was to not excitement. The charus presented their annual Christmas concert, singing the well cived traditional carols as well as a group of religious songs. There were also selections by the mixed ensemble, the girls' ensemble, the boys' ensemble, and soloists.

The members were bus yighting ready for the music contests. Besides the soloists that were picked in nical eliminations, the ensembles all participated in Ancika's fine music tradition they received excellent ratings. The massed charus, held in Lambridge, was a fine production, besides being a lot of fun

The spring concert came around again with a little girls dressed in pretty pastel formals, and the boys in their near baking suits. They sang both sacred and light hearted songs. This for the charus members was the start of spring.

Presenting their last performance of the year at the Bacc plaureate services provided the last step in the singing of the senior members at the charis. Not any the seniors, but all the charus members can look back on a year of fine accomplishments.

#### Orchestra

Mr. Kenneth Davenport - Director

This year an orchestra under the direction of Mr. Kenneth Davenport was added to the music department of Anaka High School. The orchestra, composed of about 35 members, most of whom were sophomores, performed at many various community affairs throughout the year.

The orghestra began the year with just strings by playing chamber music for the P.T.A. As the year progressed, the various brass and woodwinds of the band were added; and the orchestra again played on the program for the P.T.A. They were entertained by the Kiwanis and furnished music at other banquets during the year

In the spring they presented their first concert. They also went to the district music festival, and as the only orchestra in the district, they were able to go to the state music festival. They accompanied choral groups in the city and ended their year by playing for Baccalaureate.

Even as a new organization the orchestra can look back on a very successful year. They have had many ups and downs but have improved themselves very much. With all but one member coming back next year, they can profit from all that has happened and look forward to much future success. Thus, a new step has been added in Anoka's music department

The Business Managers, Mae Dorholt and Tom Lahn, are trustly adding to their resources, while the Editors, Judy Peterson and Carol Erick son, are putting the finishing touches on the annual

#### Anokan

Photographer, Mr. Cliff Wilder, Advisor, Mr. Corroll

you have, you know these were the co-editors of the AN KAN trying to meet an of their traitines. At time, it would have been simpler to have put up beds for the nights in the school! Those deadlines came so quickly! A feeling of relief was always felt when the copy was handed to the publishers

In the fall, committees were formed and given assignments. Finding out the activities of all the Seniors, gathering information about the clubs, and then typing it all up were some of the duties of the staff

MONEY is a big problem to everyone and especially to the business managers, Tess Dorholt and Tom Lahn. They were always selling something, whether it was popcorn at the concession stands, subscriptions, or ads to the local businessmen

During the whole year of planning and putting the annual out, the editors welcomed the advice of their advisor, Mr. Carroll Johnson, who often helped calm frayed nerves

But at the end of the year when the ANOKANS were issued, the staff forgot all the headaches and remembered only the good times and sense of pride they felt toward a job well done

#### Thespians

Project! Upstage hand! Have those lines set tomorrow! Few steps downstage

These are just a few of the many expressions you might hear if you waked onstage during a Thesp an play rehearsal

The Thesp ans have financed two plays this year "Snow White and the Seven Dwarfs" was produced in November. This play was based on the children's fairy tale of the same name. An excellent cast was headed by Judy Peterson, Witch Hex, Loan e Bauer, Queen Brangomar, Pete Benzian, Prince Charming, Marilyn Johnson, Snow White. Other principle members of the cast were Jeff Hoog and Allan Duerr.

The 'Thespers' also did some extra play work around the holidays. Several one-act Christmas plays were put on for entertainment for various Anoka organizations. Also, a one-act play was directed by Jim Kern, a student teacher from St. Cloud State.

Thespians are also experienced make-up artists, electricians, and painters

Plays, however, are not the only thing Thespians support. They also are active in the State High School League Speech Contest. Anoka placed 15 superior ratings in the sub-district. Superiors were awarded in the humanous manuscript, extemporaneous, discussion, pantomime and memorized gratory.

Of course, all this work cauld not have been accomplished without the assistance of Lavona Person icit sponsor

#### Debate

THRD. B Cleveland, R Johnson, T. Look, C Pratt J Tilleston, V. Jacobson, C. Jacobson SECOND D Nist, J. Campbell, D Rainbow, C. McKusick, W Peter and D Rainbow [MRD: C. Guntzel, S Paterek, B H rm n J Foell, V Jett T Woodward, G Bauer

"Oh, I just know I forgot something!" These were familiar words to the debaters as they set out on one of their debate tournaments. These trips took them to many places such as Fargo-Moorhead, St Cloud, Mankato, Macalester, Duluth, Denfield, and St. Olaf

The first team consisting of Chris Jacobson, Corinne Guntzel, Doug Rainbow, and Will Peterson helped bring success to the debate club

This year a new tournament was started called the "Round Robin". All the sophomores attended this meet, which included the cities of Cambridge, Mora, Princeton, Spring Lake Park, Fridley and Anoka. To insure the championship of this tournament. Mr Jacobson sent Vivian Jett, Terri Woodward, Chuck McKusick, and Tom Price

At Hamline the Debate Club took second place, and at Gustavus Adolphus Tom Price and Chuck Mc-Kusick received Speaking awards. In the Region 4 tournaments they took second place, to wind up a very successful year under the direction of Mr. Jacobson

Winners of the District 16 trophy: T. Woodward, V. Jett, C. Mc-Kusick, Not Pictured. T. Price

#### American Field Service

Sur Trans And Be. Miss Meity Leeds Citter and Millia Marques talk over all their winderful experiences which were milled in the foreign Exchange Program.

The American Field Service has provided an opportunity for many students of the United States and foreign countries to learn about other lands and their people and most important, to promote good fellowship throughout the world.

Anoka High welcomed two AES students to our school this year Entering early in the Ic I were As to Beg from Pakistan better known as Acci, and Maria Marg es from asbon Portuga. Both of this had to add stitle to the students way of speaking especially their use of significant time to finally figure this out.

By this time Anoka's own representatives were arriving home offer long summers abroad. They were Leeds Cutter, who had traveled to Italy, and Sile Textor, who had spent the summer in Turkey.

A four of these had the first of speaking to the students at the AFS assembly. Much was earned of activities in the schools in other parts of the world. Elimstrips also showed thigh ights of their trips.

To raise tinds for the AFS the Third Annual Car Mash was held, sponsored by the Student Council It was a success and helped fill the "kitty"

Students especially seniors, at Anoka, will never target their friendly AFS students who he ped make their year brighter

#### Film Operators

What do members of the Film Operators Club do? Some students think they only run the projector for films in the audio-visual room and enjoy themselves watching the movies

But aside from this, the members also have charge of the public address system at the pep fests and the assemblies. They have the job of making the "mike" run in good order

These boys have a big role to play. Their success each year can be attributed to their advisor, Mr Stimmler, who has given them expert advice and valuable information

Gerald Pelizer and Dave Carroll are setting up the movie projector, one of the main duties of a film operator

## "A" Squad Football

Coach Stan Nelson, Co-captains Dick Watson and Duane Blaska and Assistant Coach Wayne Deitz

The team that greeted Coach Stan Neison at the opening of the football season was filled with experienced backs, but had few linemen with actual playing experience. They quickly improved, however, and won the second straight game 40-0 over Ramsey. According to Coach Nelson, it was "the best game of the season." After losing two games to the Packers and Mustangs — the only losses of the season — the "Men of Nelson" really settled down and played ball.

Coach Nelson is especially proud of the defensive record of the team. Only twice during the season was more than one touchdown scored against the team, and the Tornadoes completely shut out three teams

Duane Blaska, probably the best player in the Conference, was named All-State. Dave Castle and Alex Springer were both rewarded by being named to the All-Conference squad. Senior tackles Bob Tufford and Chris Wagner, and junior fullback Dale Meyer were on the All-Conference Honorable Mention list

All in all, the Tornadoes produced an excellent record of seven victories and two defeats, which tied them with Moundsview for second place in the Suburban Conference

## "B" Squad Football

Third E Persych A Thompson J Freehung B Johnson D Bexford J Hong R Nelson B Bunker R Leger J Raiala R Carson Second C Laroque R Bickford R Kinney D Pearson G Bunkk T Golagher T French E Kesliei D Martin First T Lichsinger J Hornsby E Wolff, T. Owens, G Strand, A Laider, D Hovet, G Caswell, J. Rootes

The young scrappers that kept the varsity fighting for their positions made up the 'B' squad football team. They were out on the field pushing constantly under the hot sun, looking forward to the day when they could participate under the lights while the band played and the crowd roared leading the team to victory.

The biggest hi-light of the year took place in the game with Ramsey. With only forty seconds left to go, Ranald Kinney threw a spectacular pass down field to Art Thompson who caught it and was downed on the one yard line. Gary Beckman, with a very clever quarter back sneak, plowed his way across the goal line for a victory touchdown.

The boys that deserve a big back-slapping are Gary Beckman, Art Thompson Gary Blanski John Rala i and Gary Strand. These boys with the help of others showed a of of schools what a determined "never die" team can do If these boys continue to develop and improve. Anoka should have a very excellent varsity team in years to come.

A of of recognition is due our two coaches. Mr. Carson and Mr. Perovich for making a strong team out of what appeared to be nothing at the beginning of the season. A few of the boys were experienced but most of them hadn't played much footbal before. The record of four wins, one loss, and one tie shows what a lot of patience hard work, and sweat can accomplish

## "A" Squad Basketball

Bill Wanamaker, Duane Blaska, and Jack Campbell are going over a few last minute details

Two games marked the high spots of the season for the Tornadoes. One was the victory over West St. Paul in the Homecoming game. The Tornadoes, playing their best game of the season, beat the Warriors by twenty-one points

The other big win for the Tornadoes this year was over Spring Lake Park in the District Tournament. Spring Lake Park had been beaten only once, but the Tornadoes went into this game with the same terrific desire that helped them win against West St. Paul. At halftime Anoka trailed by six, but with four minutes left in the game, Anoka tied the score. Then Dick Watson came into the game, took four shots, and scored on all four to give Anoka a victory of 55-53 in one of the most exciting games Anoka fans have ever seen.

But Anoka had its troubles too. At South St. Paul they lost by twenty-eight points, playing their worst game in four years. Against Region Four Champions North St. Paul, the Tornadoes played very poorly. The Tornadoes' season was ended with a loss to Mora in the District finals.

Congratulations to Coaches Jack Campbell and Bill Wanamaker, and the entire team, on a fine season.

## "B" Squad Basketball

SECUND R Liter, R Kenny D Ostund D Hartte's . Basta D Martin D H vet . Compbell B Woman ker f RST J Hong G St an

The Anoka Senior High School "B" squad basketbal team, coached by Mr. Bill Wanamaker, had a fina record of 13 wins and 5 losses. The team finished the season by winning their ast seven games. They also won 10 out of 14 conference plays and 3 out of 4 non-conference plays. The team brought thrills to the crowd when they won two of their games in overtimes. The big gun for the all sophomore team was Jim Erickson, with a season's scoring total of 208 points, coming within 4 points of the record set by Bill Brock three years ago Jim averaged 12 points per game. The top scorers for the "B" team were Jim Erickson, Dennis Hovet, and Gary Strand, each finishing with a total of over 100 points. Other helps to the team were Dave Hartifier, Ron Kinney, Larry Baufierd, and Don Martin. Some of these boys will see action next year boause only three unions will be returning to the "A" squad. One thing that deserves ment oning is the fact that the team was undefeated on their home court.

The annual pep fest held to announce the new 1919 Ainter Hilmer Ting Royalty finding arrived. The results of the balloting were safely enclosed in balloons suspended near the gym relling. Mr. Compbe lasked the crear leaders to assist the escerts in selecting the proper ballotins containing the homes of the Royalty. This began the excitement that precedes all homecomings.

The disterois the coronation findly arrived. As the excited stident body entered the distinct they became aware at the hinea ming decorations. The siver letter ig 1919 Homecold gows suspended over two wintry looking penguins.

#### Hockey

John Tammi, Gary Beckman, and Dave Hyllengren

The 1958-59 school year marked the seventh consecutive season of competition in the Suburban Conference for the Anoka hockey team. The team completed the season in the sixth place with a win-loss record of 10-13. Mr. Alley considered this year's team as one of the best he has coached at Anoka

This year's team was led by Co-captains John Tammi and Keith Leider. The first line consisted of wings Dave Hyllengren and John Tammi, defense men Gene Westlund and Keith Leider, with Bill Johnson in the net and Gary Beckman at center. Taking high scoring honors this year were Dave Hyllengren and Gary Beckman. Keith Leider was the roughest player on the squad, which explains his frequent visits to the penalty box

The Icemen played their best game this year against West St. Paul, although the score was 5-3 with West St. Paul on top.

Next year Coach Alley will have eight returning lettermen but could use a couple of good defense men, as this seems to be the weak spot on the team. Mr. Alley says that with a little hard work and desire, John Tammi, Gary Beckman, and Dave Hyllengren will be excellent college hockey players

#### Sno Dance

Maria Marques lends a hand with the electrations

Their Malesties: Joan Bouer and John Tammi

Exclament mounted as the crowd assembled for the crowning of the King and Queen and the climax of a beautiful Sno Dance.

The GAA had beautifully transformed the cateter alinto a winter wonderland, using huge snowmen and ever green boughs to achieve a wintry atmosphere.

Proposed on for this dance had begun weeks before by voting for King and Queen candidates in English classes ance Anderson, Joan Bauer and Mary Watson were the three Queen finalists, and Steve Benzian, John Tammi and Dick Watson were the King finalists.

Finally the long anticipated moment of the coronation arrived Joan Bauer, GAA president walked slowly in that the king candidates creating unbearable suspense before crowning John Tammi 1958 Sno King Bob Tufford A. In president, then placed the Queen's crown on Joan's head, crowning her Queen Joan Bauer, 1958 Sno Dance Queen.

E don Miller and the Coileg ates gave the finishing touch to the dance by supplying dreamy music and a perfect atmosphere

#### Boys' Intramural

About the middle of November the Intramural sports program got under way. The first sport was basketball. Ten teams got into the act, six in the "A" League and four in the "B" League. After a rugged season, "Ace and the boys" finished on top in the "A" League Champions of the "B" League were the Slopshots, who finished with a 10-3 record.

Bowling was also done at this time. Every Wednesday night the boys bowled at Hi-Way 10. Some of the scores were very good and others not so good, but everyone had a lot of fun. Winning the championship was a team called the Kingpins. Only two games behind were the All-Stars. Marvin Jones had the highest league average.

Toward the end of February, volleyball was started. Three leagues were organized with a total of twenty-three teams. The top teams in the "AA" League were the Deadbeats and the Ky-Sy-Six. The most colorful and best uniformed were the Sad Sacks. The Aubgabers II were a very strong team in the "A" League. The "B"

Spike It, Leol

League was very evenly matched and probably had the greatest competition. Intramural valleyball consisted of about 160 boys who made up twenty-three teams—ten in the "AA" League, eight in the "A" League, and five in the "B" League

## Swimming Club

The Swimming Club, formed in the hope of entering competition with other schools, is the newest club. Unable to gain access to the State Hospital pool more than one evening a week, which was somewhat of a handicap, the members nevertheless managed to practice relays and other swimming events, which included diving. Their very able coach was Mr. Si Jablonski, a graduate of the University of Minnesota, where he excelled in swimming

Competing with the St. Cloud Tech swimming team, our team made a good showing, considering their few chances for practice. Next year they hope to establish a team which will be able to compete with other teams in our conference

Richard Hammond and Tom Lahn are off to a flying start

#### Racket Squad

A tennis meet between two schools consists of five separate matches; three singles and two doubles. Each match consists of the best of three sets and counts one point in determining the school that wins that event

The chances of this year's tennis team winning more matches than last year's are good. In fact, Anoka stands a fairly good chance of finishing well up in the Suburban Conference in the overall team standings

The main reason for this improved outlook is that there will be four returning lettermen on this year's squad; Jim Stewart, Dave Zopfi, Doug Rainbow, and Captain Paul Lommen. Also, Anoka has a new tennis coach this year, Mr Earl Holdridge. Already in the short time he has worked with the team, Mr. Holdridge looks like an excellent coach

Captain Paul Lomman

1 Stewart

#### Track

to Titre John Johnson, J. Robert B. T. H. & L. Ber. C. E. W. S., Potent v. M. C. S. S. A. He Say

E. Durand, J. Richardson, C. Le Richeux, C. Johnson, J. Swanberg, C. Noble

The April of 1958 started one of the most successful track seasons Anaka ever experienced. Coach Riger Carisen was very pleased, not only with the participation and the records of the trackmen, but ill so with the support given by the students.

Under the leadership of Captain Dick Peders in the team copped Conference County, District 16, and Region Victory of the Region Vittle was considered the major victory of the year

Three boys represented Anoka at the State meet. Sen or Vern McGonagia in his second year at State, finished second in the high jump. Bruce Weeks another veteran, in his second year at State, placed sixth in the hair nice event. Jun or Jerry Richardson competed in the State meet for the first time in the broad jump. Jerry is also captain of the 1959 squad.

Good prospects for the future include the Peterson brothers, usin and Cari, along with Greg Edwards at the hurdles. Bob Tufford at shot put is expected to do well in that event Leo Carlson, Dale Meyer. Ed Kessler, and Mike Robbins are all future track stars.

Coach Carson hopes that ast year's record will be a stimulant for more student body support

Track is a sport that includes both individual and team work it is one of the most competitive sports offered in the present extracurricular program in our school. Each member of the team competes as an individual, yet helps the team as a whole. This makes track an outstanding sport and one of which we at Anoka can be proud.

R Kegler, L. Godola, D. Schultz, P. Benzion, D. Moran, J. Goodrich, B. Higgins, C. Beckenbach

#### Baseball

Dave Hyllengren and Keith Leider

LOWER R GHT: Dick Moran and Duane Blaska

Bill Brock and Dave Hyllengren

A comparatively young and inexperienced squad reported to Coach Nelson to start the 1958 season. As the season progressed, however, the team made excellent progress, in both hitting and pitching departments. The team boasted a season's record of 13 wins, 7 losses, with a conference record of 3-5

In District play the Tornadoes really started to roll. Augmented by the timely hitting of Duane Blaska and the very excellent pitching of Ken Nelson, Anoka defeated Princeton, Spring Lake Park, Elk River, and then Braham in the finals. Advancing to Region Four Play at Parade Stadium, Anoka defeated New Prague 9 to 4. The squad went right up to the finals before getting beat by a very strong St. Paul Johnson team, which later became state champions.

Prospects for the 1959 season are bright as the entire mound staff of Nelson, Blaska, Gadola, and upcoming Dave Fellers are returning. Other seasoned veterans, Brock, Leider, Beckman, Hyliengren, Higgins, and Benzian will comprise an outstanding combination both on the field and at the plate

Golf

Last spring the Tornada golfers turned in another excellent record. The ane conference match they lost was to Stillwater, who took the Suburban Championship. The District tournament proved to be an easy test for Anoka; they took five places out of nine. Next came the Region tournament. The Tornadoes upset Stillwater, won the crown, and placed three individuals in the State tournament. These three were seniors Jim Pfleider and George Duffy, two of Anoka's all time greats, and promising sophomore Butch Youngquist. They fought hard to win the State Championship but had to settle for second to a strong Minneapolis Roosevelt team

Even though the team will be short some good players this year, they will still have a good squad Much of the load will be on the shoulders of Butch Flint, Butch Youngquist, and Bill Johnson

ASOVE: Bill Johnson demonstrates the proper way to putt

RIGHT: Butch Youngquist displays excellent form in golfing

## Cross Country

Out of the twenty boys who greeted him on opening day of practice last fall, Coach McLaughlin was to develop a cross country team. He did a very fine job considering the fact that none of the boys had been out before.

In Conference meets the Tornadoes took one first place and two second places. At Mankato, Anoka placed sixth out of eight teams in an invitational meet. In the All-Conference meet McLaughlin's boys managed to take fourth place.

In a newly organized District meet, Anaka walked away with the crown by placing four of our runners among the first five winners. The team put forth their best effort in the Region meet.

Sparked by the fine performance of freshman Bill Owen, sophamore Mike Robbins, and seniors Mike Gallagher, Lea Carlson, and Jack Messer, Anoka came in fourth place out of sixteen schools participating. By placing tenth out of 105 boys in this meet, Mike Robbins was qualified for the State meet. He came in 67th out of 135 of the best cross country runners in the state.

Although cross country is a fairly new sport, we are sure that its popularity will grow, and we certainly encourage more students to come out and support the team I h Mr. or Leo Carteen a h Mile C . bi

Pat Richards, mary Watson Dat Olson, Anne Word, Sus Gregerson Joan Bouer

Six of the snappiest, peppiest cheerleaders to ever front a cheering section led the Tornadoes to victories this year. Seniors Joan Bauer, Anne Ward, Captain Mary Watson, Sue Gregerson and Dot Olson plus junior Pat Richards were always on hand when our teams needed support. Miss Prichard, the squad advisor, said this year's cheerleaders are cooperative and have lots of school spirit. Working with the band and the students, the cheerleaders did a lot to boost team morale.

Anoka's "B" squad football and basketball teams were cheered on to victory this year by six enthusiastic "B" squad cheerleaders. Diana Wennerlund, Nicky Kerpen, Burnetta Pierce and Karen Nelson, juniors, and Terrie Pfleider and Pat Englund, sophomores, practiced every Wednesday evening in the gym with their advisor, Miss Prichard. Their goal throughout the year was to improve their old yells and to construct new ones These girls will probably "step" up to Hockey, Wrestling or "A" squad cheerleading positions next year

## "B" Squad Cheerleaders

Nicky Kerpen, Diana Wennerlund, Terrie Pffeider, Pat Englund, Karen Nelson, Burnetta Pierce

Janice Anderson, Lanita King and Vicki Rubis

#### Wrestling Cheerleaders

This year the school had an addition to the cheer-leading staff. Vickie Rubis, Lonnie King, and Janice Anderson were chosen as our new wrestling cheer-leaders. They have done a lot to make wrestling a more popular sport

These girls were required to use more chants than anything else, and to come up with them at the proper time

Other additions to the cheerleading staff were the the hockey cheerleaders. They are Shelly Schlagel, Kay Luchsinger, and Diane Mattson. Their warm, toasty outfits enabled them to cheer even in below zero weather

This type of cheering required quite a different technique. The cheers were led from the ice. Skates were not used this year, but there is a strong possibility that they will be used next year

## Hockey Cheerleaders

Diane Mattson, Kay Luchsinger, and Shelly Schlage

COUNCIL: Top to bottom, left to right — J. Bover, C. Jacobson, N. Keipen, M. Colles, Jorgensen, P. Richards, S. Bakken, K. Brown, C. Gintze, A. Word, J. Madson, J. Bryan, C. Stegora, K. Luchsinger, M. Johnson, M. Henning, J. Baver, Miss P. chard

GAA really started last spring when Joan Bauer was named this year's president. The beginning of the year saw the election of Kay Luchsinger as vice-president, Nancy Henning as secretary, and Jo Madson as treasurer. They are assisted by seventeen sports managers. Judy Grant handles archery, Julie Bryan—basketball, Janie Bauer—bowling, Nicky Kerpen—field hockey, Julia Jorgensen—golf, Marcia Collins—rhythms, Janet Huebner—softball, Corrine Guntzel—soccer, Sally Bakken—tennis, Karen Peterson—track and field, Diane Erickson—tumbing, Marilyn Johnson—volfeyball, Karen Brown—minor sports, Pat Richards—rooters, Carol Stegora—concessions, Chris Jacobson—publicity, and Ann Ward—points

Early in the fall, new members were initiated into the club. This year they wore green bearies throughout the day and then assembled that evening in the gym with the old members to get better acquainted

Throughout the year, the GAA girls participated in a number of sports, such as golf, tennis, skating, tumbling, and bowling. Also regular basketball and valleyball tournaments were held

In close connection with GAA is Rooters Club. This year they started a card section and made their first appearance at the Pumpkin Bowl game

Two highlights of the year were the annual GAA sponsored Sno Dance and Mother Daughter Banquet at which next year's president was named.

Kenneth hason Newton Angers a Plant E Johnson, Roger Dickerson Third. E. Back of High Times a Part Plant Ex Hilland

Always proported to so we the students — literally — one our cooks, Emma Fleury Evadne Cater, Marjone Hoogland, Mrs. Ralph Huston, Mrs. Gladys Fischer, Mrs. T. J. Cuhel, Mable Erickson — Head Cook, and Evalyn Adler

The members of the District 11 School Board: L. O. Jacob, treasurer; John Higgins, Director, Earl E. Olson, Business Administrator: Fred H. M. e. President; Morris Bye, Superintendent of Schools; H. G. Haugiand, Vice President; Fred J. Ghostley, Director; Raymond K. Nelson, Secretary

Our business administrator, Mr. Earl E. Olson, is in his sixth year of service at Anoka. His many duties include auditing the bills and supervising the school lunch program. When he's not busy with these duties, you can find him purchasing instructional and main tenance supplies, distributing equipment, and taking inventories. As you can see, Mr. Olson is a very busy and essential member of our administration

Few people realize the wide range of duties that Mr. Cleveland's job as Curriculum Director covers Studying schools' curricula, meeting with teachers, and supervising improvements in all study courses from the kindergarten to senior high level are only a part of his job

Whenever any sizable changes are to be made, Mr. Cleveland must outline units upon units to be okayed by the Superintendent and the Board. Then he must meet with our state officials to get their approval

Mr. Cleveland also institutes all practice teachers and is in charge of the new speech correction and remedial reading classes

Our Superintendent's office girls pause from their many duties long enough to pose for their picture. They are Majorie Collins, Mildred Haney, Dorothy Olson, Majorie Wiese, and Murial Gregg. Not Pictured: Joanne Boyd.

These gals, always ready to give assist ance with a sm le. are Frances Cox and Carol Harmon

Our principal, Gerald E. Huston, is a very important member of the administration Students and teachers alike find Mr. Huston a patient, understanding listener.

The reporting of the morning and afternoon announcements is one of his duties with which we are most familiar, but he has many more important duties to perform that lead to the most efficient management of our school.

There could be no more fitting way to close the 1959 yearbook record than with our able superintendent, Mr. Morris Bye. Speaking at all important occasions and carrying out his many administrative duties keep him more than busy and make him a very vital member of our school's administrative staff

In his sixteen years of serving Anoka-Hennepin School District 11, he has played an important part in determining the educational policy of this state. He has directed us in making our school what it is today, and in guiding indirectly each of our "steps to the future."
